OPERATION NEMESIS

THE FINAL ACT

1921 THE SPECIAL MISSION

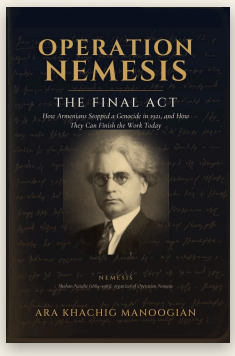

2026 JUSTICE THROUGH LAW

In 1921 there was no law. Today there is.

Shahan Natalie's special mission stopped the Genocide from wiping out Armenia. Today Armenia faces the same threat. Led by his grandson, Ara Khachig Manoogian, Natalie's last student, THE FINAL ACT will use the laws that didn't exist in 1921 to stop the modern Armenian Genocide, and bring justice to Armenians worldwide.
